

Computer Science Student

Safna Sinnoon

67/c, Kithulampitiya, Uluvitike, Galle.

Phone: 076 9472174

Email: safnasrj94@gmail.com

Objective

Energetic and Enthusiastic undergraduate student. Can manage the difficult situation and work pressure. I believe that I have good communication skill and can play as a good team leader.

Education

Department of Computer Science, University of Jaffna (2017 April – present)
Pursuing B.Sc(Hons) in Computer Science

GCE(A/L)

Combined Maths-B | Physics-B | Chemistry-C
Z-score 1.3730

GCE(O/L) - 9As

Special Achievements

6th place in CCUoJ V1.0
Intra University Coding Competition, which organized by IEEE branch of University of Jaffna at 18th December 2018.

Participated in UoJCoders V1.0
Organized by Department of Computer Science, UoJ on 6th March 2019.

Participated in Cloud Study Jam: Getting Started with Machine Learning Tools
Organized by YARL IT HUB on 9th March 2019.

1st place in the 100x4 Relay Event
Inter school athletic Championship 2007(District)

1st place in "NENASA" Competition(IQ & GK)
(Provincial Level – 2009)

3rd place in all island Speech Competition(2008)

Technologies

PHP / Laravel: ██████████
MySQL: ██████████
HTML / CSS / JS : ██████████
C# / .NET : ██████████
AngularJS : ██████████
MsOffice / Excel : ██████████
Java / VueJS : ██████████

Project Experience

School Timetable Management System (2018 June -2019 March)

Web based application developed for Skandhawarodaya National School.Via this system we can add and delete name of the teachers, division & subjects and we can choose proper teacher for relief periods.
Technologies: Laravel Framework, MySQL database, Apache Server.

Workers Finding System(2019 June - present)

Web based application developed for employer and employee. In this project we can find workers for appropriate location and we can choose proper worker by using the rating order of the employer.
Technologies: Laravel, MySQL database and Apache server

Task Management System (2019 May – 2019 June)

This is a daily task management application for a person or an organization, via this project we can add , delete & update their daily tasks.
Technologies: PHP with Laravel Framework.

Language

Tamil : Strong

Sinhala : Strong

English : Strong

Soft Skills

- Self learner
- Time Management
- Team work
